Year 5 Swimming Programme 2025

November 2024

Dear Parents

I am writing to you about the current swimming provision that we are providing Year 5 this academic year. Learning how to swim and being competent in the water in a range of situations is an essential skill to learn, particularly as we live so close to the waterside and, as an island, are totally surrounded by water! Therefore, we have arranged that each class will receive 6 x 30 minute swimming sessions over the course of 6 weeks at Totton Recreation Centre on Tuesday 7th, 14th, 21st, 28th January 4th, 11th February with qualified swim instructors.

The sessions will be progressive depending on each child's individual ability and will help them move towards being able to swim at least 25m, use a range of swimming strokes effectively and being able to perform safe self-rescue in different water based situations.

In order to keep costs to a minimum we have booked the swimming pool, instructors, school minibus and a second minibus. The school will subsidise the cost of each session and are asking parents to make a contribution towards the transport of £11.50 (£1.92 per visit). To help spread out the payments you can make small contributions through the online payment system however; we do ask full payment is received by Monday 16th December. if you wish to discuss payment, please speak to the school office team.

The timings for each class will be as follows:

5 Elder: 9:30-10am

5 Oak: 10-10.30am

5 Redwood: 10.30am-11am

Please complete and return the reply slip below along with any payments by Monday 16th December 2024.

Yours sincerely
