

ACE SPORTS at FOXHILLS INFANT SCHOOL

We thought we'd take a little time to introduce ourselves to the Parents and Guardians of Foxhills Infant School. We are Ace Sports, a small team of dedicated Physical Education Specialists and Sports Coaches based in The New Forest.

We have had the pleasure of working with Foxhills Infant School for a couple of years now! We work at The School every Monday and Friday afternoon delivering After School Sports Clubs.

Our weekly After School Club Sessions are open to all Pupils of Foxhills. We run Football Club on Monday's with Coach Jack. C and Gymnastics on Fridays with Coach Jack. K.

We thoroughly enjoy working with the pupils and staff at Foxhills and it's wonderful to see the children learning in such a supportive and nurturing environment. We are always impressed with how polite the children are and how keen they are for their Sports sessions!

We also run local competitions and sports events between local schools and Team Foxhills are signed up to all of our events across the 2024-25 Academic Year and Foxhills recently came first in our New Forest Football Competition!

As well as working with Foxhills we work with many other local schools including Bartley Junior School, where we run Holiday Clubs! We run our OFSTED registered Holiday Clubs at Bartley during each school break and children from Foxhills are always welcome to attend.

Please see below where you can find out a little more about our team that work at Foxhills.

Please check out our website too for more info on what we do!
