## Beaulieu River Trip

Thursday 3<sup>rd</sup> April 2025

Dear Parents,

This term, in Year 4, we are learning about rivers and the water cycle. We will be conducting a geographical field study at Beaulieu with The Countryside Educational Trust.

The children will have a chance to follow a tributary of the Beaulieu River from its source on Beaulieu Heath towards its mouth. The children will measure depth and velocity of two locations along the stream’s course and will investigate how the stream changes along its length.

Children will need to wear **their school PE kit as well as bring a waterproof jacket, wellies, sunhat, packed lunch and water bottle.**

We will be transporting the children in two coaches and aim to leave school at 9am and leave the site at 2:30 to allow enough time to return to school before the end of the day.

The cost of this trip is £19.65 per child which includes cost of transport and the educational tour with The Countryside Educational Trust.

Break down of fees;

- Travel = £10.65
- Visit to the Educational Centre including activities and leaders = £9.00

If we are unable to receive sufficient funds we may need to cancel the trip.

Thank you for your continued support.

Year 4 Team
