

## Foxhills Federation Board of Governors

### Annual questionnaire to parents

23<sup>rd</sup> April 2025

Dear Parents,

Your views on yours, and your children's experience of the education and ethos of the Foxhills Federation are important to the Board of Governors to enable us to assess your level of satisfaction, and to identify any concerns. We do this annually, through an on-line anonymous survey, and the questions are based on those which are asked at an Ofsted inspection. We would be very grateful if you could respond to this on-line questionnaire to give us a valid overview of both schools. The governors will provide you with feedback once the results have been analysed.

Please could you complete the survey
