Category	Spend
Equipment and resources	£6,673.15
After-school clubs (football, athletics, netball)	£3,932.42
Sensory Circuits provision (Included within equipment costs)	

Total Internal Activities Spend | £10,605.57 |

Impact

- New equipment has improved the quality of PE lessons and extracurricular activities.
- Additional handball, basketball and football equipment has increased participation opportunities during lessons, breaktimes and clubs.
- Sensory Circuits provision supports pupils' physical development, regulation and readiness to learn.
- After-school clubs have broadened participation and increased opportunities for pupils to engage in physical activity outside curriculum time.

Staffing

Category	Spend
Supply cover for PE leadership and sporting activities	£8,877.00
Staff mileage allowance	£31.05
Total Staffing Spend	**£8,908.04**

Impact

- PE leads have had protected time to organise competitions, develop provision and monitor curriculum delivery.

- Staff have been able to attend sporting events and support pupils' participation in competition.
- Improved coordination of PE and school sport across the school.

External Activities

Category	Spend
Catch-up swimming programme	£1,062.72
Sports transport and minibus costs	£193.25
Coach for residential activity trip	£425.00
KS2 PE Lessons & Boxing	£1,734.00
Total External Activities Spend	**£1,680.97**

Impact

- Catch-up swimming provision has improved pupils' swimming competence and water safety knowledge.
- Participation in sporting events has been maintained through transport funding.
- Additional enrichment opportunities have increased engagement in physical activity.
- Specialist boxing sessions have broadened pupils' experience of different sports.

3. Opportunities in Sport

Supporting Pupils with SEND

The school has used PE and Sport Premium funding to support pupils with SEND through:

- Sensory Circuits provision.
- Adapted equipment and inclusive PE opportunities.
- Access to extracurricular clubs.

- Increased opportunities to develop physical literacy, coordination and confidence.

Supporting Disadvantaged Pupils

The school has used funding to:

- Provide subsidised or free access to extracurricular clubs where appropriate.

- Support participation in sporting events and competitions.
- Remove barriers to participation through transport and equipment provision.
- Ensure disadvantaged pupils access the same breadth of sporting opportunities as their peers.

Increasing Staff Confidence

The school has invested in:

- Hampshire PE Conference attendance.
- NFSSP membership.
- Real PE subscription.
- Cross-Curricular Orienteering resources.
- PEPlanning.org resources.

These investments support staff knowledge, confidence and curriculum delivery.

4. Perceived Impacts and Improvements

Area	Impact
Staff confidence in teaching PE	Positive impact
Pupil engagement in physical activity	Positive impact
Profile of PE and sport across the school	Positive impact
Equality of access to sporting opportunities	Positive impact
Participation in competitive sport	Positive impact
PE attainment	Positive impact
Swimming and water safety attainment	Positive impact
Participation in extracurricular activities	Positive impact

Evidence of Impact

PE and Sport Premium funding has contributed towards:

- Increased participation in after-school clubs.
- Improved access to competitive sporting opportunities through NFSSP membership.

- Enhanced quality and quantity of PE equipment available to pupils.
- Improved swimming outcomes through targeted catch-up provision.
- Increased staff confidence through CPD and high-quality planning resources.
- Greater participation and engagement from pupils with SEND and disadvantaged pupils.
- Increased opportunities for pupils to experience a wider range of sports including handball, boxing, athletics, netball and football.

5. Sustainability

The school has focused spending on sustainable improvements through:

- Investment in durable PE equipment.
- Long-term subscriptions and planning resources that continue to support quality teaching.
- Professional development that improves staff expertise.
- Development of PE leadership capacity.
- Expansion of extracurricular provision to establish active lifestyles and lifelong participation in sport.

Sustainability Impact

Positive impact.

6. Swimming and Water Safety

Does the school have Year 6 pupils?

Yes.

Swimming Provision

PE funding was used to provide catch-up swimming lessons for pupils requiring additional support in swimming and water safety. Funding totalled £1,062.72.

Impact

Positive impact.

The additional swimming provision has enabled pupils who were previously below expected standards to improve their water confidence, swimming competence and understanding of water safety.
